#### Request Summary (Agenda Caption):

Request for approval of a renewal option with FleetCor Technologies Operating Company, LLC dba Fuelman for fleet fuel cards, monitoring and dispensing system and related items for Harris County for the period of January 28, 2022 - January 27, 2023 at a cost of \$10,550,000 (190136).

#### Background and Discussion:

Fleet Services is requesting to renew the contract for our fleet fuel cards. These cards are used as a credit card to purchase fuel for the County fleet at various commercial fuel stations across Harris County. It also allows us to have a secondary source of fuel during times of emergency.

#### Expected Impact:

Having a credit card for fuel allows the drivers the ability to conveniently refuel at hundreds of locations across the greater Houston area, allowing them to spend more time performing their work duties instead of traveling a longer distance to refuel at a County fuel station

#### Alternative Options:

If we did not have the credit card program, we would need to purchase and/or build many fuel stations and place them strategically across Harris County.
