Request Summary (Agenda Caption):

Request for approval of a renewal option with 24/6 Technical Services LLC for inspection, maintenance, repair and related items for lift stations for the Toll Road Authority through December 31, 2023 at a cost of \$190,000 (200355), Justification for 0% MWDBE Participation Goal: 0% - Specialized, Technical, or Unique in Nature.

Background and Discussion:

Request for approval of the second renewal option with 24/6 Technical Services LLC for inspection, maintenance, repair and related items for lift stations for the Toll Road Authority for the period of 1/01/2023 - 12/31/2024.

This renewal was reviewed for possible MWBE participation and it was found that the work is of a specialized nature. Inspections and testing of the lift stations are performed on a quarterly basis, while additional maintenance work is currently ad hoc and self-performed on an as-needed basis.

Expected Impact:

The approval of this renewal allows HCTRA to continue to receive services for inspection, maintenance, repair and related items.
