Request Summary (Agenda Caption):

Request for approval of a renewal option with 24/6 Technical Services LLC for inspection, maintenance, repair and related items for lift stations for the Toll Road Authority through December 31, 2024 at a cost of \$180,000 (200355), Justification for 0% MWDBE Participation Goal: 0% - Specialized, Technical, or Unique in Nature.

Background and Discussion:

Request for approval of the third renewal option with 24/6 Technical Services LLC for inspection, maintenance, repair and related items for lift stations for the Toll Road Authority for the period of January 1, 2024 - December 31, 2024.

This renewal was reviewed for possible MWBE participation and it was found that the work is of a specialized nature. Inspections and testing of the lift stations are performed on a quarterly basis, while additional maintenance work is currently ad hoc and self-performed on an as-needed basis.

Expected Impact:

The approval of this renewal allows HCTRA to continue to receive services for inspection, maintenance, repair and related items.

Alternative Options:

No other recommended option for this identified need.
