Request Summary (Agenda Caption):

Request for approval of a renewal option with Netsync Network Solutions; and Set Solutions, Inc. for certain groups for network security, components, services and related items for the Toll Road Authority through October 31, 2024 at a cost of \$1,400,000 (190282), Justification for 0% MWDBE Participation Goal: 0% - Non-Divisible.

Background and Discussion:

This is a Fourth renewal option for contract for Job No. 19/0282 network security, components, Services and related items for HCTRA. Netsync and Set Solutions Inc. provide services to HCTRA's Network Infrastructure that improve the overall performance of application vulnerabilities with its threat prevention firewall security.

These services are an important piece of our cybersecurity and multi-cloud management platform. Utilizing these services prevent unauthorized access to our network applications, protects against fraud, and also secures HCTRA's multiple private databases.

Expected Impact:

Continuation of these services will provide protection against fraud, added security to HCTRA's multiple private databases and prevent unauthorized access to network applications.

Alternative Options:

No recommended solution for this identified need.
