#### Request Summary (Agenda Caption):

Request for approval of a renewal option with 24/6 Technical Services LLC for inspection, maintenance, repair and related items for lift stations for the period of January 1, 2025 - December 31, 2025 at a cost of \$216,825 (200355), Justification for 0% MWDBE Participation Goal: 0% - Specialized, Technical, or Unique in Nature.

#### Background and Discussion:

Request for approval of the fourth renewal option with 24/6 Technical Services LLC for inspection, maintenance, repair and related items for lift stations for the Toll Road Authority for the period of January 1, 2025 - December 31, 2025.

This renewal was reviewed for possible MWBE participation and it was found that the work is of a specialized nature. Inspections and testing of the lift stations are performed on a quarterly basis, while additional maintenance work is currently ad hoc and self-performed on an as-needed basis.

#### Expected Impact:

The approval of this renewal allows HCTRA to continue to receive services for inspection, maintenance, repair and related items.

#### Alternative Options:

No other recommended option for this identified need.
